RE: NANTUCKET – BRPWP71, Sewer
Extension, Hummock Pond Road,
Transmittal No. X259542

Dear Mr. Kelly:

Enclosed herewith is a public notice for your sewer system extension permit application, which you recently submitted to the Department of Environmental Protection. The Department has reviewed your application for completeness and has made a tentative determination to issue. **The Department's determination is subject to the public notice process and further technical review. Please be advised, in accordance with 314 CMR 7.03, construction of this sewer cannot occur until the sewer extension permit is issued by the Department.**

In accordance with 314 CMR 2.06(4) and M.G.L. c.30A, the applicant or permittee, as applicable, shall publish public notice of the permit proceedings in *The Environmental Monitor*, a publication of the Massachusetts Executive Office of Energy and Environmental Affairs. For instructions on filing this notice with MEPA please refer to MEPA's website at <http://www.env.state.ma.us/mepa/submittingnotices.htm> Please note, it is the applicant's responsibility to check the accuracy of the attached notice prior to publication.

It is the applicant's responsibility to forward proof of publication to the attention of Mr. Christos Dimisoris at the above address within 7 days of publication.

The mandatory thirty (30) day public comment period will commence with the date of publication of the public notice. It is in the applicant's best interest to publish this notice upon receipt and forward the proof of publication to the Department as soon as possible to avoid delays in processing your application.

If you have any questions, please contact Christos Dimisoris at (508) 946-2736.

Very truly yours,
